## Trial of the 'NEW' Locum Private Area on website.

We are currently trialling (or beta-testing, for those who like jargon) the Locum Private Area on our web site. A few individuals are being given the chance to thoroughly "road test" this development over Christmas and New Year, and we hope to be able to launch this fully in February 2011.

The area includes;

**Your own Responsible Pharmacist Record** – not a legal record, but a back up of your own in the event of any dispute or challenge.

**Your own Availability Page** – add, delete and update you free dates directly to us at the touch of a button.

**Your own Notes Page** – anything you need to record, from a note that you corrected a CD entry to what the journey was like, even to record a Reflection item for CPD!!

Also, you can quick view your personal details, financial details, skills e.g. accreditations, CPD etc. Company Announcements direct to your Private Page, Ideas Box, Archives of any other information we have provided.

All of this is FREE and it's also PRIVATE! Only you can see your Private Page, we cannot access it or view its contents APART from the details you send to us from the page to update information e.g. available dates, changes in skills etc. What you put on is your business and your business only.

If you wish to register your interest to access your own Private Locum Page, please click on the link on our Home Page

by January 8<sup>th</sup> 2011. We will begin processing just after this date.

## Booking ID from dates listed on website

If you contact us to enquire about availability posted on our website, PLEASE could you quote the ID number of the booking? (Ref no to quote) This allows us to quickly identify exactly where and for whom the booking is. It's been a very long time since we were able to quote dates, branches and other details from memory and we do have to refer to our database to give precise details and even to confirm dates are still valid. Sometimes, dates go almost as quickly as they are added – we are working on real time updates but along with everything else we are trying to do for you it all takes time.

SIMPLES!

| Ref Nos to Quote | Date of Availability | Area     | Start time | Finish time |                |
|------------------|----------------------|----------|------------|-------------|----------------|
| 2835             | 04/01/2011           | Carlisle | 09.00      | 17.45       | <b>ENQUIRE</b> |

The reference number to quote with this booking is

2835

Please note that if you click on the link to ENQUIRE, the details will be e-mailed to us along with your enquiry. Simples!

## **Advertising on the website, newsletter and other publications.**

New for 2011 will be a free and paid for advertising option. We'll be starting with

### ***THE WALL***

Which will look just like the dull old adverts you see for jobs in the PJ and C & D. Well, it's free, what do you expect? Box and column line entries will be accepted from companies wishing to advertise vacancies and will be put on THE WALL for a period of two weeks before being taken down. Booking deadlines are 2pm Friday for the Monday week (i.e. 10 days hence). Terms and conditions will apply and we reserve the right to refuse any contribution offered without explanation.

### **ADVERTISING ON THE WEB SITE, NEWSLETTER AND OTHER ADVERTISING**

If you want to make your adverts stand out and look like it's moved into a new century (well, the 20<sup>th</sup> century at least, if not the present one), we can design or incorporate your own art work and design into selected areas of our web site, newsletters and other on-line productions. Pricing will vary depending upon placement within publications and length of time adverts are booked for.

Yes, we know it's a whole new world but if you want to attract the brightest and best, it's no good looking as dull as ditch water, is it? Make yourself stand out from the crowd, get noticed and do something different in 2011. After all, if all you ever do is all you ever did, all you'll ever get is all you ever got!

Prices and other terms and conditions available on application.

Next Newsletter due January 2011. A Happy New Year to you all. Archived copies of previous newsletters are available via the main website.
